The Vermont Nursery & Landscape Association/Green Works would like to invite you to **VIRTUALLY** exhibit at our Annual Winter Meeting and Trade Show on **Thursday, February 11, 2021**. The meeting will be held via Zoom facilitated by the UVM Conference and Event Services. We expect 100-150 attendees to visit our Virtual Winter Meeting & Trade Show.

Each exhibitor will have their own Zoom Room where you can show a pre-recorded presentation, in addition to being "live" in the room. Full tech support from UVM will be available to help with a presentation of your choosing and to help with set up in your Zoom Room.

Each exhibitor will be able to sign up for two out of three time slots: 8:30am-9:00 am; 10:30am-11:00am; or 1:30-2:00pm. Exhibitors can also attend any of the presentations throughout the day. Once registered, you will be contacted regarding available time slots.

Our keynote speaker is Wambui Ippolito, a landscape designer, horticulturist and a graduate of the New York Botanical Garden's School of Professional Horticulture. She develops programming for museums, public gardens, and parks exploring the broader context of horticulture, focusing on the intersections between migration, design, history, culture and science. Wambui lectures both in the USA and internationally. In her former career, she worked as a Development & Democracy Consultant at international organizations both in the USA and around the world. She is multilingual, fluent in five languages. Wambui is also the founder of the BIPOC Hort Group, a multicultural professional organization with membership from the USA, Asia, Africa, Latin America and the Caribbean.

THE DAY also includes educational presentations from Angie Clelan and Scott Fisher of North Creek Nurseries, Dan Segal, owner of The Plantsmen Nursery, Mark Dwyer of Landscape Prescriptions, MD, and Ray DeFeo, Prides Corner Farm and Ralph Fitz-Gerald, Horsford Nursery.

Please complete the registration form by January 29, 2021.

There is a limit of 16 exhibitors; first come, first serve.
